I have mislaid your card & forgot
your main address, I keep well
& busy, on Monday I am to start
with Ford & Edison on a 2 weeks
motor trip to the Adirondacks. After
that is over I shall quiet down
here, I hope to get a sniff of the
sea, but am not sure, a motion
picture man has led me a lively dance
the past 10 days - colored pictures by a
new process, Hope you all keep well
